Summer time is here! School's about to let out. Vacations are being planned. Beach houses are ready to be used for the summer. Money is being saved to spend on gas for trips. Many, many plans are being formulated and we're anxiously anticipating carrying out those plans.

As we travel and change our regular routine, don't forget the Lord in all you do. So often we have a regular quiet time or devotional time each day, along with regular worship experience with our church family; but vacation time or beach time interrupts our regular schedule and we miss the Lord. Try not to let that happen to you this summer.

My sermon series for the first part of the summer is "The Holy Spirit's Ministry in the Life of the Believer." I trust that this series will help each of us walk closer to God as we understand deeper our relationship with the Holy Spirit. As we grow in faith and knowledge of the Holy Spirit's ministry in our lives and in the life of our church, may we become even more useful in His Kingdom's work.

God is willing to bless us so we can be a blessing to our community and world. Will you join us and Him in His Kingdom work?

Pastor Randy

Blessed be the name of God forever and ever, to whom belong wisdom and might. He changes times and seasons; he removes kings and sets up kings; he gives wisdom to the wise and knowledge to those who have understanding; he reveals deep and hidden things; he knows what is in the darkness, and the light dwells with him. -Daniel 2:20-22
